

“What can I do with...” Guide

*This list should not be seen as an endorsement or approval of the businesses by the Authority, they are only suggested options. **ALWAYS contact** these possible locations first for confirmation, pricing, requirements, changes, etc.*

Asbestos Products

Some UNOPENED products made with asbestos materials may be taken to a C&D landfill that accepts asbestos. The closest facility in our area would be:
Sidwell C & D Landfill, 4620 Limestone Valley Drive, Zanesville, OH 43701
(740)849-2394 *Always call first to find out what items will be accepted!*

Or safely store until our next Annual Household Hazardous Waste Collection for residents only, no private business waste accepted.

Asphalt

See “Concrete” section.

Appliances

– Non-working:

Always ask your retailer about their haul away/recycling program before you purchase a new appliance.

Check with local scrap yards, your Community for possible cleanup dates, used appliance dealers and landfills. Kimble’s will accept them with service tags attached (proof of proper freon removal). Check with a local refrigeration repair service regarding certified removal.

For a fee, **Best Buy** has a program to remove up to two TV units, or two appliances, or one TV and one appliance from your home for recycling.

Van’s Iron & Metal in Steubenville accepts “some” appliances, contact them for more information. (740) 282-1044.

Six Recycling, 505 Maple Street, East Liverpool pays for some Appliances, call for details. 330-385-1452 sixrecycling.com

– Working:

Check with your local Youth Groups, Veterans Organizations, Urban Mission, Good Will locations - in Steubenville (740) 264-6000, St. Clairsville (740) 695-2335 & in Martins Ferry (740) 633-5253 ~ visit the Good Will website at <http://www.ohiodropoff.com>, or Salvation Army www.salvationarmyusa.org

AEP and **First Energy** have annual take back programs with \$50.00 incentive for refrigerators and freezers, for more information visit their websites at

<https://www.jacoinc.net/weborder/rebatex.aspx?ProgramID=119> and
<https://www.aepohio.com/save/programs/ApplianceRecycling.aspx?ctype=h>

St. Clairsville Goodwill is an Ohio Drop-off site that accepts refrigerators, microwave ovens and computers. For more information call (740) 695-2335 from 10am – 6pm.
<http://ohiodropoff.com/StClairsville.html#>

JUNK Lead Acid BATTERIES ONLY ~ Drop Off at Interstate Battery of Steel Valley Warehouse, 44925 Lafferty Rd., St. Clairsville, OH 8 am – 4 pm. 5 days a week

OIL (6 gallons or more) ~ Safety-Kleen Systems, Inc. in Wheeling, WV (304) 650-3853 or (304) 233-6567. In Kent, OH 44240 (330) 673-3340 safety-kleen.com
1-800-323-5040

Or watch for our Household Hazardous Waste Collection Event on our website or Facebook page.

Automobiles

Klunkers for Kids Program – with the Big Brothers & Big Sisters, they will pick up any junk car running or not plus give you a tax credit for its worth. 740-264-3306
Visit End of Life Vehicle Solutions at <http://www.elvsolutions.org>

Batteries

(HOUSEHOLD) **Dry Cell/Alkaline Batteries** can be disposed of in small quantities in your regular garbage. However we encourage you to recycle them by dropping them off at one of our two Office Locations, Steubenville or St. Clairsville.

Rechargeable electronic batteries are acceptable at our Special E-Cycling Collections, check our “Upcoming Events” page on our website for future dates/locations. **Cell phone batteries** are acceptable at any business that sells cell phone equipment.

For Rechargeable/power tool batteries

Try Radio Shack, Sears, M&M Hardware, General Rental Center, Lowes, ORME East Hardware, Staples, Tyman and Terrett Pharmacy’s, Wal Mart, Kmart, General Rental, Fastenal and Sam’s Club.

or visit www.call2recycle.org 1-877-2-RECYCLE for a list of your closest locations.

For larger quantity collection you can order pails through:

Battery Solutions

1-800-852-8127

email service@batteryrecycling.com

5900 Brighton Pines Court

Howell, MI 48843

www.batteryrecycling.com

More helpful links –

www.rbrc.org

www.earth911.com

Cell Phones/Wireless

You can recycle your wireless device through a drop-off location, mail back programs, through an internet auction site or by donating it to a charity such as school fund raising activities, or women’s shelters. Three things to remember before you recycle your wireless phone:

1. Terminate your service
2. Clear the phones memory of contacts and other stored information
3. Remove your phone’s SIM card, if it has one. Phones that operate on GSM networks use SIM cards. If you are not sure if your phone uses a SIM card or if you need assistance removing your SIM card contact your wireless provider.

DONATE FOR SOLDIERS OVERSEAS ~ The Christian Village, 6 North 4th Street, Martins Ferry, Oh is affiliated with a national program which takes used cell phones and recycles them as phone cards for soldiers serving overseas.

www.cellphonesforsoldiers.com/

Or see “Electronics” on this list for more options.

CFL's

- Go to “Fluorescent Light Bulbs” on this list.
-

Christmas Trees

- Your artificial Christmas Trees **cannot be recycled**; it must be disposed of with your trash. If you used a live cut Christmas Tree you may have several options:
 - Ask if there is a hauling/composting option through your city or village.
 - Remember to remove all ornaments, tinsel, lights, and decorative materials including the tree stand.
 - Ask your trash hauler if they provide live tree pickup after the holiday season.
 - Ask your local Christmas tree grower if they will accept your tree for mulch or other disposal.
 - If you know someone with a chipper, they may be willing to chip your tree into mulch for your garden. Pine needles are a great mulching source to help acidify soils for potatoes and blueberries. For non acidic plants, you may need to apply garden lime on the mulch to counteract the acidity.
 - If you own a fish pond, trees make an excellent refuge and feeding area for fish. Never sink your tree into a pond without permission from the property owner.
 - A Christmas tree positioned in your garden or backyard can be used as a bird feeder and a safe shelter for birds and other wildlife. Please make sure all decorations, hooks, garland or tinsel strands are removed so as not to injure the birds or other wildlife. Within a year the tree branches become brittle enough to break up the tree by hand for use on your property.

NEVER burn your Christmas tree in a fireplace or wood stove. Burning pine trees may contribute to creosote buildup and could cause a chimney fire.

Gently used Clothing

- **Contact** your local Good Will, Salvation Army <http://salvationarmyusa.org> or the Urban Mission.
Or utilize the yellow drop-bins for www.planetaid.org located in many communities for your clothing donations.
-

Concrete

Go Green America Recycling Center (Ewusiak Development)
1900 Commercial Ave, Mingo Jct, OH (740) 535-2071 Main Office (800) 646-4407
Accepts Concrete, Shingles, Asphalt, and Waste Oil for recycling.

Computers/Printers

Always check with the store you purchase a new product, some Best Buy, Staples, and Office Depot stores offer take back programs.

You may be able to donate **working computers/printers** ~ contact your local Goodwill locations - in Steubenville (740) 264-6000, St. Clairsville (740) 695-2335 & in Martins Ferry (740) 633-5253 ~ visit the Good Will website at <http://www.ohiodropoff.com>, (Zanesville has the Dell Reconnect Program 740-450-6060 Ext. 104), Salvation Army (in Belmont County), or American Veterans Association.

See the “Electronics” section of this list for recycling options in our area.

Construction Materials

Contact your local landfill for acceptable materials. Some listed below.

Or

Re-Usable materials only:

Habitat For Humanity
WHEELING, WV 26003
Phone: (304) 243-7690

Habitat For Humanity
CANTON, OH 44709
Phone: (330) 493-6500

Dehumidifiers

Due to the Freon in these they require the same type of treatment as refrigerators.

Contact local scrap yards for one with license A/C service.

DVD's (undamaged)

Donate to Veterans. Go to <http://www.dvds4vets.org> for details. Check with local library.

Electronics

Donate - www.recycles.org

computersforlearning.gov

Staples - has a technology drop-off program, check with your local store for details.

Or check with these local businesses to see what items they recycle:

Infinite Electronics Recycling, LLC, Main Street Rear, Weirton, WV
304-914-3367

(continued)

Frizzi Customs Computer & Electronic Repair, 319 Crescent St., Bellaire, OH
740-671-8814 <https://www.frizzicustoms.com>

Cell Phone Repair (CPR), Ohio Valley Mall, 67800 Mall Ring Rd, St. Clairsville, OH
740-695-9757 cellphonerepair.com

Computer and Cellphone Hospital, LLC 107 S Sugar St, St. Clairsville, OH 43950
(740) 695-6933 <http://www.computerandcellphonehospital.com>

You can visit our website “Upcoming Events” page periodically, or “like” us on Facebook for postings on upcoming Special Collections for Electronics.

Fluorescent Lamp, Compact Fluorescent & Ballast Light Bulbs UNBROKEN

If the bulb fails within the warranty period you can return it to your retailer for refund or exchange. Check with your retailer to see if they take old ballast/bulbs with a purchase of new one, or contact one of these retailers for information on what ballasts/bulbs they will take:

M & M Hardware; Cardello Electric; Lowe’s -(takes unbroken CFL’s only no tubes);
Ferry Hardware; Carello Lighting in Wheeling;
Safety Kleen Systems, Inc. in Kent, OH (330) 673-3340 www.safety-kleen.com;
SunPro in North Canton, OH (330) 966-0910,

Or you may consider a mail-back program such as at the following links:

www.nlr-green.com/lamps.html www.lamprecycling.com
www.wm.com/residential/recycle-by-mail.jsp

You may save them for our next Annual Household Hazardous Waste Collection. Information is posted on our website under the News & Events tab on the Upcoming Events page once announced, or just like us on Facebook.

Place broken CFL’s in a garbage bag, (NEVER use a vacuum to collect – it will disburse the mercury into the air) seal the CFL in two plastic bags and put it into the outside trash as recommended by the Ohio EPA. CFLs should not be disposed of in an incinerator.

Food Waste

**River Valley Composting & Topsoils – 6129- Ramsey Rd, Jacobsburg, OH
43933** Contact Stanley or Garrett Kaldor for times and fees 740-676-7533.

Gasoline cans

– Dispose **Empty**, clean cans with cap removed in regular trash.

Gasoline (water mixed/unusable)

– Safely store until Solid Waste Authority holds its next Household Hazardous Waste Collection. **Clearly mark all items** you bring to this event.

Glass/ Windows, large Mirrors

If the windows are still in decent condition you can contact **Habitat For Humanity**, in Bellaire (740)671-8077, in Wheeling (304)243-7690 or Steubenville (740)264-6470
Web: www.habitat.org

You might also consider placing a notice on free trading websites such as www.freecycle.com or “freecircle” on facebook. Where old windows, etc are frequently sought by architects, salvagers, artists, crafters and gardeners.

Glass windows & mirrors can be disposed of in landfills.
Because window glass has different additives and melting temps, it CANNOT be collected with the glass jars and bottles for recycling.

Helium Tanks

Balloon Helium Tanks are designed to be disposable, although some stores may accept them for recycling. Scrap dealers usually do not accept them due to serious safety issues from unused helium. Please always follow the safety instructions/directions on the tanks as they can be an explosive hazard if any helium remains in the tank when compacted in a trash truck or cut for recycling.

Ink/Toner Cartridges

Most office supply chain stores take back the printer ink cartridges. Check with your local Office Depot, Staples, Office Max and local office supply stores. Some even offer rewards points towards next purchase for the returns.

Or try Product Company’s with return programs:

EPSON - go to www.epson.com and search for “ink toner recycling” or call 866-917-5033.

LEXMARK - www.lexmark.com

QUILL – www.quill.com (has a earning program for recycling toner cartridges)

Mattresses & Box springs

Check with your local haulers or landfill. Because mattresses and box springs cannot be compacted and little weight in comparison to the airspace they take up landfills may charge to accept them or not take them at all.

Mercury/Glass Thermometers

Check with the Thermostat Manufacturer to see if they will take them back for disposal.

Check with local hospitals /Health Dept for a disposal program.

Safely store until our next Household Hazardous Waste Collection.

Moble Homes

A demolished **manufactured** or mobile home could be C&DD if it was an anchored structure. Also, if the mobile home is listed on the real property tax list in accordance with **ORC Section 4503.061**, then it is a structure and, when demolished, is C&DD. Visit the Ohio EPA website for more information.

https://ohioepa.custhelp.com/app/answers/detail/a_id/2155/kw/manufactured

PAINT

Any Paints made before 1990 should be stored and brought to our next Household Hazardous Waste Collection (with lids on tight). Paints made before 1977 may contain lead and Paints made before 1990 may contain mercury.

All other paints can be allowed to dry completely and then can be disposed of in your regular garbage.

Hints to dry:

LATEX – IF “almost empty” remove lid and allow to air dry, you may add clay-based kitty litter or commercial paint dryer, mix and allow to air dry ~ this may take a couple of days or more and should be done in a well-ventilated area away from children and pets. **Check with our offices for any Special Paint Collections!!**

OIL BASED PAINT – take trash bag & place crumpled newspapers inside, drizzle paint over newspapers, continue with layers until can is empty. This allows for increase surface area and paint will dry. After drying, put can in trash bag, close trash bag and put out with regular garbage.

You may also try quick dry products for oil spills sold at local Auto part stores to speed drying process of paint.

Donate useable paint to:

Good Will Industries in Steubenville (740) 264-6000 & in Martins Ferry (740) 633-5253

Urban Mission in Steubenville (740) 282-4851

Salvation Army <http://www.salvationarmyusa.org>
(continued)

Habitat For Humanity in Bellaire (740) 671-8077, in Wheeling (304) 243-7690 or Steubenville (740) 264-6470 Web: www.habitat.org

Universal Paint Company www.universalrecycledpaint.com
Columbus, OH 614-407-0655

American Paint Recyclers www.americanpaintrecyclers.com
Middle Point, OH 419-333-1160

Plastic Bags

We do not recycle plastic bags at our Community Drop-off locations, all bags have to be hand removed by our staff. Many local stores have special bins at the entrances for customers to place their used grocery/plastic bags into, look for them at your local WalMart, Kroger, and Lowe's just to name a few.

Prescription Drugs (unwanted)

Jefferson County has a permanent 24/7 no questions asked Take Back Box located at the Steubenville Police Department. Visit "Jefferson County Opiate Task Force-Ohio" on Facebook for more information.

Belmont County has nine permanent Take Back Boxes located at:

Barnesville Police Department

Bethesda Police Department

St. Clairsville Police Department

Bridgeport Police Department

Powhatan Point Police Department

Shadyside Police Department

Bellaire Police Department

Martins Ferry Police Department

Belmont County Sheriff's Office

Check with your local Hospitals or Pharmacy's to see if they have collection programs.

National Take-Back Initiative information

http://www.deadiversion.usdoj.gov/drug_disposal/takeback/index.html

Propane Tanks

Most suppliers will exchange an old tank when a new tank is purchased.

Blue Rhino Company (tank exchange program) Call customer care 800-258-7466 or email customerservcie@bluerhino.com for locations www.bluerhino.com

AmeriGas Company (tank exchange program) Call customer assistance 800-434-2323 or check out their website at www.amerigas.com
Grill size and smaller can be taken to our Annual Household Hazardous Waste Collection (that date will be posted on our Upcoming Events page on our website once it is set).
Some local scrap yards also accept empty tanks.

Railroad ties

Due to chemicals in some ties contact your local Construction & Debris or Public landfill for restrictions.

Refrigerant (Freon) Removal

Always inquire when purchasing a new appliance if they have a trade in/disposal program such as Sears 1-800-469-4663.

Contact local scrap yards, some are now licensed to remove Freon on items they accept.
Gabby's Scrap, 41540 National Road, Morristown 740-782-1026

Re-Claimers That Accept Refrigerant:

- ~ Appliance Recycling Centers of America, Inc. (ARCA) Hilliard, OH 43026
Phone: (614) 876-8771 Fax: (614) 777-5669
- ~ CFC Reclamation and Recycling Service, Inc. Stow, OH 44224
Phone: (330) 688-8316 Fax: (330) 688-8316
- ~ Full Circle, Grove City, OH 43213 Phone: (614) 875-5686
- ~ Rem Tec International, Holland, Ohio 43528 www.remtec.net
Phone: 419/867-8990 Fax: 419/867-3279 Toll Free: 888/8REMTEC
- ~ Welch's Refrigeration H.V.A.C, Canton, OH 44709 Phone: (330) 494-8523

RV's

For disposal recreational vehicles and its parts are considered solid waste and not C&DD. For options visit the Ohio EPA website page
https://ohioepa.custhelp.com/app/answers/detail/a_id/2155/kw/manufactured

Sharps

For disposal options inquire with a local hospital, the company or pharmacy where you purchase your medical supplies (some provide a sharps container that can be mailed once full), or your local Health Department.

Shingles

- **Go Green America Recycling Center** (Ewusiak Development)
1900 Commercial Ave, Mingo Jct, OH 43938
(740) 535-2071 Main Office (800) 646-4407
Accepts Concrete, Shingles, Asphalt, and Waste Oil for recycling.

Smoke Alarms

Curie Environmental Services, LLC
4020 Vassar Drive NE, Suite D, Albuquerque, NM 87107
505.888.9392 – Office 866.671.4458 – Fax
<http://www.curieservices.com/smoke-alarm-recycling>
E-mail: info@curieservices.com

Styrofoam Packaging Materials

- **Styrofoam peanuts, bubble wrap, etc.**
Contact local shipping, packaging & moving companies for donation options or visit
www.earth911.com for mailing options.

Televisions

All newer flat screen TV's are recyclable and accepted at local Electronics Recycling businesses, see Electronics for details. However the older box style CRT Televisions may not be, and are now considered hazardous waste in some states due to the toxins in the glass.

As always we recommend to our residents to ALWAYS ask about a take-back program for your older tube (CRT) TV when purchasing a new one.

Known local business:

Infinite Electronics Recycling, LLC (304) 748-1140
Weirton, WV

Watch for one of our Special Electronics Collections, there may be a fee for the CRT style TV's and monitors. Visit our website or follow us on Facebook for more information.

You may also check with your local Ohio Landfills (see the bottom of the list)

Tires

Always have the "tire dealer" you are purchasing your new tires from properly dispose of your old tires.

These locations may also take your tires with a small cost without a purchase:

Lasting Mulch, 3230 North 5th Street, Steubenville 740-337-4172
Sears Tire & Auto, in St. Clairsville 740-695-7328
Snyder Tire, in Wintersville 740-264-5543
Wal Mart, in St. Clairsville 740-695-8417

Store them in a dry location until one of our Tire Collections held in cooperation with local Townships, usually in the spring/summer. Keep in mind tires are accepted from individual Jefferson/Belmont County residents only, no businesses, and there may be a charge for each tire. **Set collection dates are always posted on our Upcoming Events page and Facebook page.**

Vinyl siding

Plastic siding – local landfills

Aluminum siding – check with local scrap yards or local landfills.

Wood Pallets

Zanesville Pallets, 235 Licking Rd, Zanesville, OH 740-454-3700 740-849-2999
Delivered ~ Pays for 48X40 size pallets ~ Possible pickup if 300-400 per week is generated

Iron City Wood Products, 3125 Wilson Ave, Campbell, OH 330-755-2772
website: www.ironcitywoodproducts.com

Yard Waste

River Valley Composting & Topsoils – 6129- Ramsey Rd, Jacobsburg, OH 43933
Contact Stanley or Garrett Kaldor for times and fees 740-676-7533.

LOCAL LANDFILLS/DISPOSAL FACILITIES:

Apex Environmental, 11 Co. Rd. 78, Apex Rd., Amsterdam, OH 740-543-4389
Valero Brooke County Landfill, Morton Lane, Follansbee, WV 304-748-0014
Northfork Landfill, N Fork Rd, Short Creek, WV 26058 304-336-7800

Kimble's Transfer & Recycling locations:

- 1) 4217 Glenn Highway, Cambridge, OH 43725 740-439-9361 (2nd Cambridge exit)
- 2) 2403 Chase Rd, Carrolton, OH 44615 330-627-2424
- 3) 2295 Bolivor Rd SW, Canton, OH 44706 330-454-9400
- 4) 3506 State Rte 39 NW, Dover, OH 44622 800-201-0005

~~ This list is updated periodically, however we are not able to keep completely up to date with all listed, always contact individual business to verify for yourself ~~

Business wishing to be added/removed please contact nlysle@jbgreenteam.org

We reserve the right to remove any business for what we feel is inappropriate practices or other reasons.
