1. Provide a brief summary of the proposed project. (Use additional paper if needed)

Our group would like to increase environmental awareness and promote recycling by purchasing and installing mulch made from recycled tire material in the Center Park baseball playground area. Playground equipment was recently placed in the park. We currently use bins to collect and recycle beverage cans and plastic bottles at the park. A small plaque stating "recycled mulch materials provided by the JB Green Team" along with the JB Green Team Logo will be placed on the playground set steps.

2. Project timeline: From May 30, 2014 to July 1, 2014

Note: projects may not start prior to 3/??/2014.

3. Where will the project take place? At Center Park Playground, 148 Main St, Hometown, Ohio

4. Will the project cause an increase in recycling? Explain: Yes, we hope it will bring attention to recycling possibilities of materials used, bringing awareness to the JB Green Team program while encouraging recycling by visitors to the park to recycle.
