Entities Eligible to Apply

The following entities may apply for a Recycling Initiatives – Competitive Funding Grant:

1. Local Governmental Organizations: includes townships, villages, and cities.
2. Schools: Public, private, parochial
3. Non-profit Agencies: Agencies eligible cannot possess a liquor license and must demonstrate a benefit to the citizens of Belmont and Jefferson counties.

Two types of grants available: the “Community Award” or the “Comprehensive Grant.”

The Community Award requires no match. The maximum that can be applied for is \$1,000.

The Comprehensive Grant requires a 20% match which may include in-kind services such as non-volunteer labor, donated equipment, materials and activities directly related to the project. The maximum amount that can be applied for is \$5,000.

All materials must be purchased, and projects must be completed by **December 31, 2024**, implementation may occur AFTER approval of the Board of Trustees of the Jefferson-Belmont Regional Solid Waste Authority. Items purchased with Grant funds must contain 20% recycled content. No street/traffic signs/posts allowable for grant funds. Permanent JBGT logo signage is required to be visible on purchased items. This signage is the responsibility of the Grant recipient to arrange with a logo image provided by JBGT, costs may be included in grant application.

Timeline: Applicants may complete and submit their application through **April 1, 2024**. The Authority’s Grants Committee will review applications and make formal award recommendations to the Board of Trustees by the **April 8, 2024** Board meeting. Notification of awards and passage by the Board of Trustees should occur by **April 12, 2024** by email. Thus, when drafting an application, applicants should consider beginning their projects no sooner than when the participation contracts have been signed and returned or **April 12, 2024**.

Limited – **Only one (1) Grant Application per year per Organization/Entity will be accepted.**
All Applications are required to have a **secondary contact person**.

COMMUNITY AWARD Program Grants

- No match required. If the entity desires to supply funding or in-kind services toward the project that should be noted on the application form.
- Eligible applicants may apply for funding between \$100.00 to a maximum of \$1,000.00.
- Award Funds cannot be used for non-volunteer labor. Items purchased with Grant funds must contain 20% recycled content. No street/traffic signs/posts allowable for grant funds.
- Projects must contain a recycling component or theme. Schools, government offices and non-profits may seek funds to: Implement recycling at sporting events. They may use funds to purchase recycling bins and create awareness posters. Begin a re-use store or program so that unwanted items are not discarded. Buy supplies to perform/promote community litter clean-ups and recycling activities. With exception of bags, gloves, vests & grabbers which can be provided by JBGT office.

COMPREHENSIVE Recycling Initiative Competitive Funding (RICF) Grants

All projects must include a recycling or reuse initiative where the actual weights will be submitted to the Authority in the final report.

- Eligible applicants may apply for funding between \$1,001.00 and \$5,000.00 and must supply a 20% match which may include in-kind services such as: labor, donated equipment, materials, and activities directly related to the project.
- Applicants must provide justification of requested funding and relate the project directly to recycling. Simply doing a “paving project” is not acceptable. Procurement and application of recycled content items must have a significant recycling component as part of the project in order to qualify for funding. Items purchased with Grant funds must contain 20% recycled content. No street/traffic signs/posts allowable for grant funds.
- Applicants must commit to completing the final report and supplying recycling and or reuse data.
- Grant Funds cannot be used for non-volunteer labor. Match requirements only.
- Utilizing Ohio Companies first for purchases whenever possible is strongly suggested.

Eligible Applicants may seek Comprehensive RICE funds for:

- Community clean-up projects that include a recycling component. ****NOTE**** This does not include the Community Clean-ups that are scheduled by the Jefferson-Belmont Regional Solid Waste Authority (JB Green Team). **If a hauler is hired to dispose of trash from a clean-up event, the trash hauler must use the Apex Landfill or Transfer Station and must provide the weight slips to prove the material was disposed of properly. Any hazardous material must be disposed of properly at an EPA licensed facility.**
- Implement or expand recycling programs. This includes office paper and publication recovery; can/bottle collection events; temporary special collection events that include appliances, tires, and others.
- Implement or expand reuse initiatives. This includes performing a reuse project within a school or community; purchase of recycled material items; opening a “reuse” facility or “school reuse store”; having a large book exchange event; holding a reusable paint or electronics exchange event, creating a Reuse Exchange website.
- Implement or expand composting initiatives. This includes “Don’t Bag It” promotional campaigns; community assistance with leaf collection; conducting a composting workshop or seminar; assisting the elderly or physically challenged with composting their leaves; Christmas Tree recycling; or starting a community composting facility or program.
- Implement a recycling and waste reduction awareness campaign. This activity could focus on residential curbside or drop-off recycling, commercial and/or industrial waste reduction initiatives. Examples include a school, university/college or non-profit group conducting surveys or visiting companies to promote recycling or perform solid waste assessments with businesses. A large recycling fair or festival” conducted by a community, non-profit group, or school – would also qualify.

Reporting Requirements

Entities receiving grant funds must fully complete a mandatory Progress Report Form in **August**, then the Final Completion Report with all required documentation due 120 days after project completion or no later than **February 1, 2025**, whichever comes first. Failure to do so will make the entity and persons listed on grant application ineligible for future grants. Entities must retain all pertinent records, invoices, and other items. Entities must retain an audit trail and equipment inventory, if applicable, that must include name, Model number, serial number, and other pertinent information. Contact person(s) listed on this Application are required to inform the JBGT of any changes with their involvement in the grant project immediately. The Community Awards report is very brief and simple to complete whereas the Comprehensive Grant Report will be more detailed and will require specific recycling data. **Copies of all receipts, before & after project photographs with photo of permanent adhered JBGT Logos are required with the Completion Report. Please review and keep the Completion Form provided here separately for when the project is complete.** NOTE: Grant funds will not be dispersed until after the Agreements are emailed to applicants and an original signed Agreement is returned to the JBGT office.

Decision on Funding

The Authority's Grants Committee will review the Comprehensive Grants applications and make a recommendation regarding which applications will be forwarded to the Board of Trustees for final approval. The Grants Committee will use the following criterion. Each application will be judged as to whether the project:

- * develops and implements waste reduction, reuse and recovery systems as alternatives to landfill disposal, reuse of recycled material.
- * develops an integrated approach to solid waste management, meeting the needs of municipalities and townships in the District.
- * projects that are innovative, cost-effective, will reach a large audience, and will produce actual recycling and solid waste diversion will be given top priority.
- * all grant funds must be applicable to recycling (not for concession stands or foods, water, etc.)
- * all Grant recipients shall "Buy Ohio" for grant projects whenever possible.

The Executive Director, under the authority of the Board of Trustees, has the ability to closely review and question any grant recipient's project if the timeline or progress is not satisfactory, or if any part of the Agreement is being violated. The Authority will cancel a grant project if any violation of the Agreement occurs. Any grant recipient Organization and individual signing the Grant Agreement that does not submit a Completion Form Report with required information may be required to return all grant funds awarded and forfeits their right to apply the following grant awarding year.

Please complete one of the application forms. Detailed explanations will assist the Grants Committee and the Board of Trustees in making a decision.

All Community Awards and Comprehensive Grant Applicants are encouraged to submit a scanned copy by email, hard copies can be mailed or hand delivered and shall be on recycled-content paper when applicable utilizing both sides. Do NOT use special binders or covers. Application deadline is **April 1, 2024 before Noon**. Please Do NOT fax the application.

NO APPLICATIONS WILL BE ACCEPTED AFTER THE DEADLINE.

Recycling Initiative/Competitive Funding (Grant Type 1)
Community Awards Grant Application Form

Due No Later than noon **April 1, 2024**

ALL fields are required to be completed: (Please print)

Name of Non-Profit Organization, Government Entity or School applying for Grant: _____

Federal ID Number: _____

Reporting: Please indicate who will be responsible for signing the grant agreement, overseeing grant funds, and providing the reports:

Authorized Person #1: _____ Title: _____

Address: _____

Email: _____

Day Time) Phone Number: _____

Type of Organization: _____ (government, school, nonprofit, youth group)
